MAYNE MAPS – LOCATION MAPS

Alan from Mayne Maps has produced Location Maps for Tourism, Tourist Venues, for Wineries and for Farms.

Many successful tourist venues, farms and other businesses produce their own Location Maps to help visitors locate the venue.

The cost of a simple location map is often as little as \$50.

The charge is a once-only cost as Alan does not charge an annual fee to use the map.

Mayne Maps has produced many different location maps. Such maps can be distributed, posted, viewed on the web, downloaded or printed.

Until recently, Google Maps were extensively used for this purpose. Now, many venues are seeing the advantage of using maps as are displayed here.

Benefits in using maps like these produced by Mayne Maps:

- The maps can be tailor-made for the venue

- The maps can be downloaded and printed

- The maps can also display other venues of your choice

- The maps can be interactive (see Interactive Tab above)

Wineries have also used Mayne Maps for producing Location Maps to help their customers find them.

Contact Mayne Maps and tell Alan about your property and your requirements. He will provide an expected price or quote and also send you samples of maps similar to your property that he has produced in the past.
